

This is so fun!!!!

One day Max was riding an elephant when suddenly it started raining. “What? Why is it raining?” Max said curiously. Then **CRACK!!!!!!** Max was changed into an elephant.

“Ooh water, I am going to have a squirt with my trunk!” squealed Max. Then Max was stomping down a road. He saw a log that was blocking the way. “Oh no! I can’t go over, under or around the log. I know I will need to lift it with my trunk!!” Max thought it was so cool having a trunk “This is so much fun!” Then it started to rain again...**Crack!!!!**

Max found himself again sitting on the elephant. “Hey mum! When we get home can I have a swim in the pool?” asked Max. “Sure. It is hot,” replied mum.
