Caritas Australia is an aid organisation of the catholic Church.

Caritas works in over 200 countries to help people and is inspired by the life of Jesus

“See with the eyes of Jesus”
Project Compassion runs during Lent. It is supported when we make donations. Project Compassion helps people build better lives for themselves, their families and communities.
In Lent there are 3 special actions we need to take: Prayer, fasting and ALMSGIVING.

Almsgiving is a charity that shows we care for those in need because God has given us so many things to be grateful for.
TO HELP RAISE MONEY FOR PROJECT COMPASSION WE HAVE ORGANISED A PLAYFULL DAY.
WHY A PLAYFULL DAY?

This year Project COMPASSION is about HAVING LIFE to the FULL. We learned about someone called Maristley who has been helped by Caritas in Brazil to have a more full life.

This year the Soccer World Cup is in BRAZIL so we thought we could help Caritas do their great work by having a playfull day at our school.
WHAT IS A PLAYFULL DAY?
